New Product Release November 2018

Detroit Diesel® Series 60 12.7L One-Piece Steel Piston

Interstate-McBee is very pleased to announce another prime addition to our extensive Detroit Diesel® Series 60 model engine coverage with the stocking of the **A-23533041 Piston**.

This one-piece steel piston is included in the **A-MCIF23537130Q Inframe Engine Kit** and the **A-MCOH23537130Q Overhaul Engine Kit**.

These kits now afford our customers a competitive alternative for the latest design phase of the Series 60 production run from 2007 to 2010.

Engine Kits feature:

- Forged steel one-piece pistons with a longer skirt profile for reduced wear and scuffing and greater durability.
- Interstate-McBee cylinder liners with superior bore finish.
- Premium coated top fire ring for greater durability.
- Rectangular groove compression ring which reduces blow-by and oil consumption.
- Gasket set components made of top grade material for improved sealability.
- Oil pan seal allowing quicker and easier access to engine assembly.

Interstate-McBee "Q" engine kits include:

- Cylinder Kits
- Connecting Rod Bearings
- Main Bearing Set
- Cylinder Head or Overhaul Gasket Set
- Camshaft Bearings
- Head Bolt Kit

New Product Release November 2018

Caterpillar® Modular Gasket Sets

Interstate-McBee has also added Caterpillar® modular style Gasket Sets for many popular applications. Although we continue to expand our very popular Interstate-McBee Custom Gasket Set offering, some customers prefer the modular gasket set versions for jobs that may only need some of the components serviced. Although these are in the modular format, they are packed using the same "all-in-one" component groups making installation convenient and economical.

Part Number	Application	Description
M-2302575	3196	Gasket Set - Front Structure
M-2886699	3126	Gasket Set - Front Structure
M-4173703	C10-C12	Gasket Set - Single CYL Head
M-4716555	C9	Gasket Set - Single CYL Head

Caterpillar® 3500

Auxiliary Water Pump Repair Kit

Now available from Interstate-McBee the **M-2944935 Auxiliary Water Pump Repair Kit**. This kit contains the impeller and the shaft and features a straight style interface between the shaft and impeller, which is the most current design.

Contact Interstate-McBee for details.

New Product Release November 2018

Cummins® QSB 4.5L Pistons and Engine Kits

We are pleased to announce the release of **M-4089462, M-4089620, & M-4089621 Piston Kits** which are used in 4.5L QSB 2 valve construction applications. These kits include the latest progression CNC diamond turned piston body for proper cylinder clearance. The kits also features premium chrome plated piston rings for increased durability and arrive with the pins and retainers installed.

In addition to this Piston Kit, Interstate-McBee announces corresponding Engines Kits for the convenience and value our customers expect.

Contact one of our knowledgeable representatives for more information and application.

Part Number	Description	Inframe Kit	Overhaul Kit	CPL

New Product Release October 2018

Cummins® N14 Head Bolt Kits

Interstate-McBee is pleased to announce the expansion of our very popular Cylinder Head Bolt Kit program with the addition of the Cummins® N14 models. The **MCBN14HBKS Head Bolt Assembly** consists of twelve M-3071161 Cylinder Head Bolts and M-3071075 Hard Washers for single cylinder head replacement.

The **MCBN14HBK Head Bolt Kit** consists of thirty-six each of the bolt and washer for complete replacement of all three cylinder heads. Each USA produced bolt features a 170,000 PSI minimum tensile strength specification for greater durability and torque retention and is packed with a thread protector sleeve to prevent damage.

Cummins® ISX Cylinder Head Rebuild Kit

Interstate-McBee is now stocking the **M-2882041 Cylinder Head Rebuild Kit** for Cummins ISX engines. This kit contains valves and inserts which are made from a high temperature alloy, designed for durability and engineered for superior fit and function. The kit also contains valve guides, valve springs, collets, injector sleeves and seals which are needed for complete service of the cylinder head.

Contact an Interstate-McBee representative for more details.
