OH4955365FGT	Overhaul Kit ISB 6.7L Dodge Automotive FGT Engines	OH4956007FGT

The piston kit pictured here is now available and enhances Interstate-McBee's already extensive coverage for the popular midrange engine market. The two engine kit numbers listed are also available and are convenient and cost effective. Each engine kit contains the latest gasket sets which are specific to both front and rear gear train style engines. For the most Cummins® midrange aftermarket coverage, contact Interstate-McBee first.
